

Job Description

Job Title: Complementary Therapist

Reporting to: Complementary Therapy Team Leader

Job purpose: Our Vision is to make every day the best day possible for patients, and those closest to them, living with life-limiting illnesses in South Devon. As a member of our Complementary Therapy Team, you will deliver this by providing therapeutic support in one-to-one sessions and/or group sessions for patients, carers and bereaved people on site at Rowcroft and within the Rowcroft catchment area.

Our Values:

Honesty & Integrity Generosity of Spirit Respect Team Player

Key roles and responsibilities:

1. Tailor therapy assessment and treatment, with attention to patients' individual needs and preferences, spanning physical, emotional, social and spiritual dimensions, adapting therapy input as their condition changes.
2. Organise and plan own caseload to meet service. Plan patient priorities and needs and maintain comprehensive records of treatment.
3. Initiate effective communication within the complementary therapy team and the wider multidisciplinary team, plus external agencies as appropriate.
4. Promote a culture of continuous learning & development and wellbeing. Identify your own learning and development needs and ensure your mandatory and essential training is up to date. Undertake continuous professional development and clinical supervision where appropriate. Help to create an environment that is continually questioning practice and promoting learning.
5. Play an active part promoting, encouraging and supporting our team volunteers.

This list can never be exhaustive but covers most of the work you'll be doing. What it can't replace is your ability to care, your talent, your initiative and commitment to great customer service.

Infection Prevention

All Rowcroft Hospice employees in both clinical and non-clinical roles are required to adhere to the Infection Prevention and Control Policies and make every effort to maintain high standards of infection control at all times to reduce the burden of Healthcare Associated Infections including MRSA.

You agree to the following responsibilities:

- To decontaminate your hands prior to and after direct patient care or contact with the patient's surroundings.

- To take part in mandatory infection control training provided.
- To responsibly manage your own infections (other than common colds and illness) that may be transmittable to patients, including to contact Occupational Health for guidance.

Place of Work

This role has been identified as a Field worker (role could be carried out at a Rowcroft site or other location, subject to the varying needs of the role. Will spend planned time at Rowcroft sites, or other locations as the role requires, which could include patients' homes and Rowcroft and non-Rowcroft locations to meet the needs of the service).

This will be fully discussed and agreed with the postholder to meet individual and business needs.
