

## Job Description

<b>Job Title:</b>	Registered Nurse - Hospice at Home
<b>Band:</b>	D
<b>Reporting to:</b>	Sister / Hospice at Home Team Leader
<b>Job purpose:</b>	Our Vision is to make every day the best day possible for patients, and those closest to them, living with life-limiting illnesses in South Devon. As a Registered Nurse you will deliver this by providing professional care and support to our patients and families in their own homes, working alongside a Hospice at Home Sister/Charge Nurse.

### Our Values:

Honesty & Integrity Generosity of Spirit Respect Team Player

### Key roles and responsibilities:

1. Provide specialist nursing care to patients in their own homes. Carry out assessments, arrange care plans, monitor symptoms and adjust medication with the guidance of the senior nurse on duty and working closely with HCAs and Senior HCAs, provide personal care to patients.
2. Liaise with other community agencies to provide the best care.
3. Provide emotional support to families.
4. Verify deaths and provide care after death with the support of the Healthcare Assistants and Senior Healthcare Assistants.
5. Work across the 24/7 service provision.
6. Promote a culture of continuous learning and development and wellbeing, help to create an environment that is continually critically questioning practice and promoting learning.
7. Identify your own learning and development needs undertake continuous professional development and actively engage in clinical supervision, maintaining an objective and innovative practice.
8. Provide education both internally and externally. Provide mentoring and support to junior members of the team and students.
9. Play an active part in team meetings and ensure your mandatory and other relevant training is kept up to date.

This list can never be exhaustive but covers most of the work you'll be doing - always with talent, initiative and a commitment to great customer service.

### Infection Prevention

All Rowcroft employees are required to adhere to the Infection Prevention and Control Policies and make every effort to maintain high standards of infection control at all times to reduce the burden of Healthcare Associated Infections, including MRSA.

You agree to the following:

- To decontaminate your hands prior to and after direct patient care or contact with the patient's surroundings;
- To take part in mandatory infection control training provided;
- To responsibly manage your own infections.

### Place of Work

This role has been identified as a Field worker - the role could be carried out at a Rowcroft site or other location subject to the varying needs of the role. Will spend planned time at Rowcroft sites or other locations as the role requires which could include patient homes and Rowcroft and non-Rowcroft locations to meet the needs of the service.

This will be fully discussed and agreed with the postholder to meet individual and business needs.

## What is Hospice at Home?

Hospice at Home cares for patients that want to be able to die in their own homes (or care home) and are thought to be in their last 2 weeks of life.

We are a team of registered nurses and healthcare assistants that prioritise what is important to the patient and those closest to them, working with other healthcare professionals in order to achieve the patients' last wishes.

We were awarded the Choice and Control award for personalised care in 2022 in recognition for offering patients choice over where they wanted to die and giving them some control at the end of their life.
